We are very thankful to our current list of 2009 donors whose generosity as shown above will help fund the critically important Iron Dog Trail Restoration Project that enables Big Lake to be the premier southern trailhead for access into the vast and groomed trail systems in the Susitna Valley from Big Lake to Denali State Park (in no particular order): ConocoPhillips Alaska, Inc., Mat-Su Borough Community Development (Bed Tax) Grant.

THANK YOU FOR SUPPORTING THE MISSION OF BIG LAKE TRAILS!
